Syner-G delivers fresh, innovative concepts and solutions for your corporate events and marketing activation requirements. With offices nationally and over 20 years of event management experience, we guarantee a professional turnkey event service using only highly skilled experts to produce results within your budget.

Our extensive portfolio includes South Africa's largest amateur golf tournament – the "Sanlam Cancer Challenge" and South Africa's biggest triathlon sprint series – the "BSG Triseries" among many others.

Our services include:

- From ballroom to the beach corporate functions
- Brand and product marketing
- Campaigns and launches
- Exhibition solutions and festivals
- Sports event management and sponsorships
- Local and international conferencing
- Brand image and marketing collateral implementation

Book your next event with us and save time and budget!
