## COMPANY HISTORY & BACKGROUND

Plan A Exhibitions was established in 2007 as a supplier of premium exhibition stand design and construction services. The founding members have over 42 years combined experience in the exhibition and interior design fields.

## INDUSTRY CONTRIBUTION

Plan A Exhibitions is a company that offers specialised exhibition, display and retail design solutions making use of the latest technology in design, materials and construction to create products of distinction. Our diverse product mix allows us to offer shopfitted, system based and customised solutions.

## DISTINCTION

Plan A Exhibitions is capable of servicing customers on a national level. Our unparalleled customer service, cutting edge design and approachable staff make Plan A Exhibitions a company that stands apart in the Exhibitions, Services and Events arena.

## EXPERIENCE

Our customers both current and prospective can expect that their project will be handled in a professional, personalized and hassle free manner. We achieve this through:

- Excellence in fulfilling projects
- A hands-on approach
- Having a pro-active approach to finding solutions for our clients.
- Vast experience and knowledge of the industry
