FOR YOUR INNOVATIVE DIFFERENCE

Design and Exhibition Company is the fastest growing fully BEE compliant outfit in the industry and managed by professionals whom committed in good business ethics and through responsible design in (EXHIBITION AND INTERIOR SPACE) as we are associated to SignEdition (www.signedition.co.za) as members of Green building Council. The companies went into joined partnership to develop sustainable design via recycling policies into Exhibition and Interior Project; hence we encourage our client to be environment friendly too.

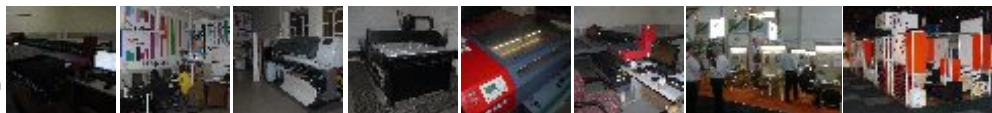

Our Value

Design and Exhibition Co is one of the fastest growing supplier and contractor of Exhibition and Design of product and services in the Market. With a vision to provide excellent and professional ideas, by providing a comprehensive range of products and services to complement with a touch of innovation.

Experience

The company is owned by two Qualified Professionals and both have vast knowledge on:

- .Exhibition
- .Event Management
- .Project Management
- .General Interior Design
- .Overall Printing

Backed by experience gathered:

KAGISO Exhibition Durban as a Branch Project Manager and Exhibition Designer 2002- 2007 (PICTURES REQUIRED)

? SCAN Display Solutions as a Branch Manager since 2007 to 2010. (PICTURES REQUIRED)

We believe that these skills can be instrumental when doing exhibitions in terms of suggesting the tools and media to use in executing the job and cheaper ways to produce quality deliverance.

Our Goal

We are fully committed in providing the best creative ideas and solutions through our efficient reliable services and excellent cost exclusive products.

Greening Policy

We offer our clients options, which are designed and strive to be cost effective without compromising the quality of the end product, such as:

All Clients are given this option, as a cost saving exercise.

.DURABLE PRODUCT: Means lifetime guarantee on hardware and all our products undergo regular quality control checks without compromise on appearance.

.RE-USABLE PRODUCTS: On Exhibition and Retail Promotion we encourage our clients to rent rather to own our product as to extend a life span of our product and Deco-Sign Edition has a recycling plans and policies in hand to dispose the items under Project Seventy5.

? INNOVATION OPTION: New Technology is encouraged and new green sub-straight for printing are introduced on regular basis, the use of environment friendly inks for printing and sub straights that have longer life span
(PICTURES REQUIRED FROM SEVENTY 5 PRODUCT)
