**"I would just like to say a MASSIVE thank you to each of you for a hugely successful Mining Indaba. Mooketsi is super-impressed and we really did make him look like a complete rock-star! The entire Anglo American comms team unanimously agreed that this was the best Mining Indaba yet!. It was definitely not an easy one – and most of us didn't sleep much – but the end result was definitely worth it =) Once again, thank you for putting up with our crazy deadlines and nutty requests and most of all for delivering such excellence."**
